

Traveler Un-installation Guide (v 1.0)

Step 01

Go to home screen of the apple device and go to “Settings”.

Step 02

Select “General” from the left side panel.

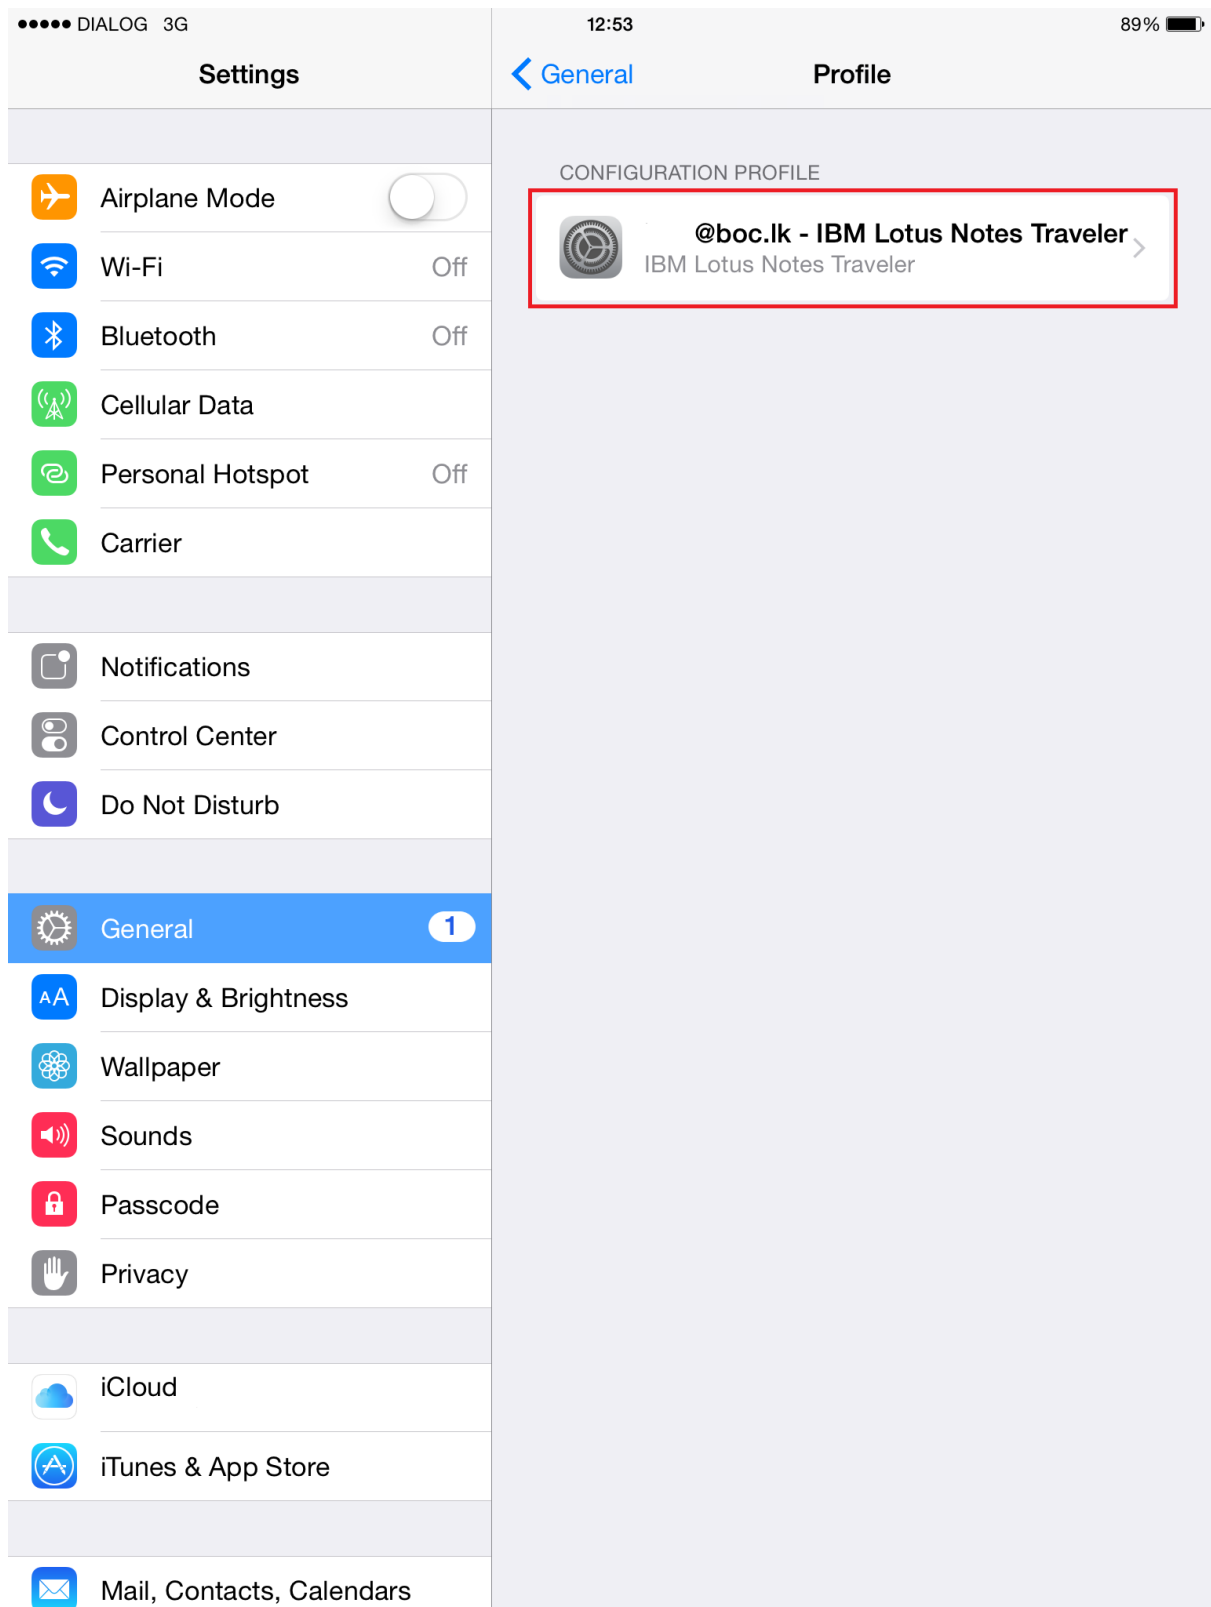

Step 03

Go inside “Profile – IBM Lotus Notes Trav...” by scroll down the right side panel.

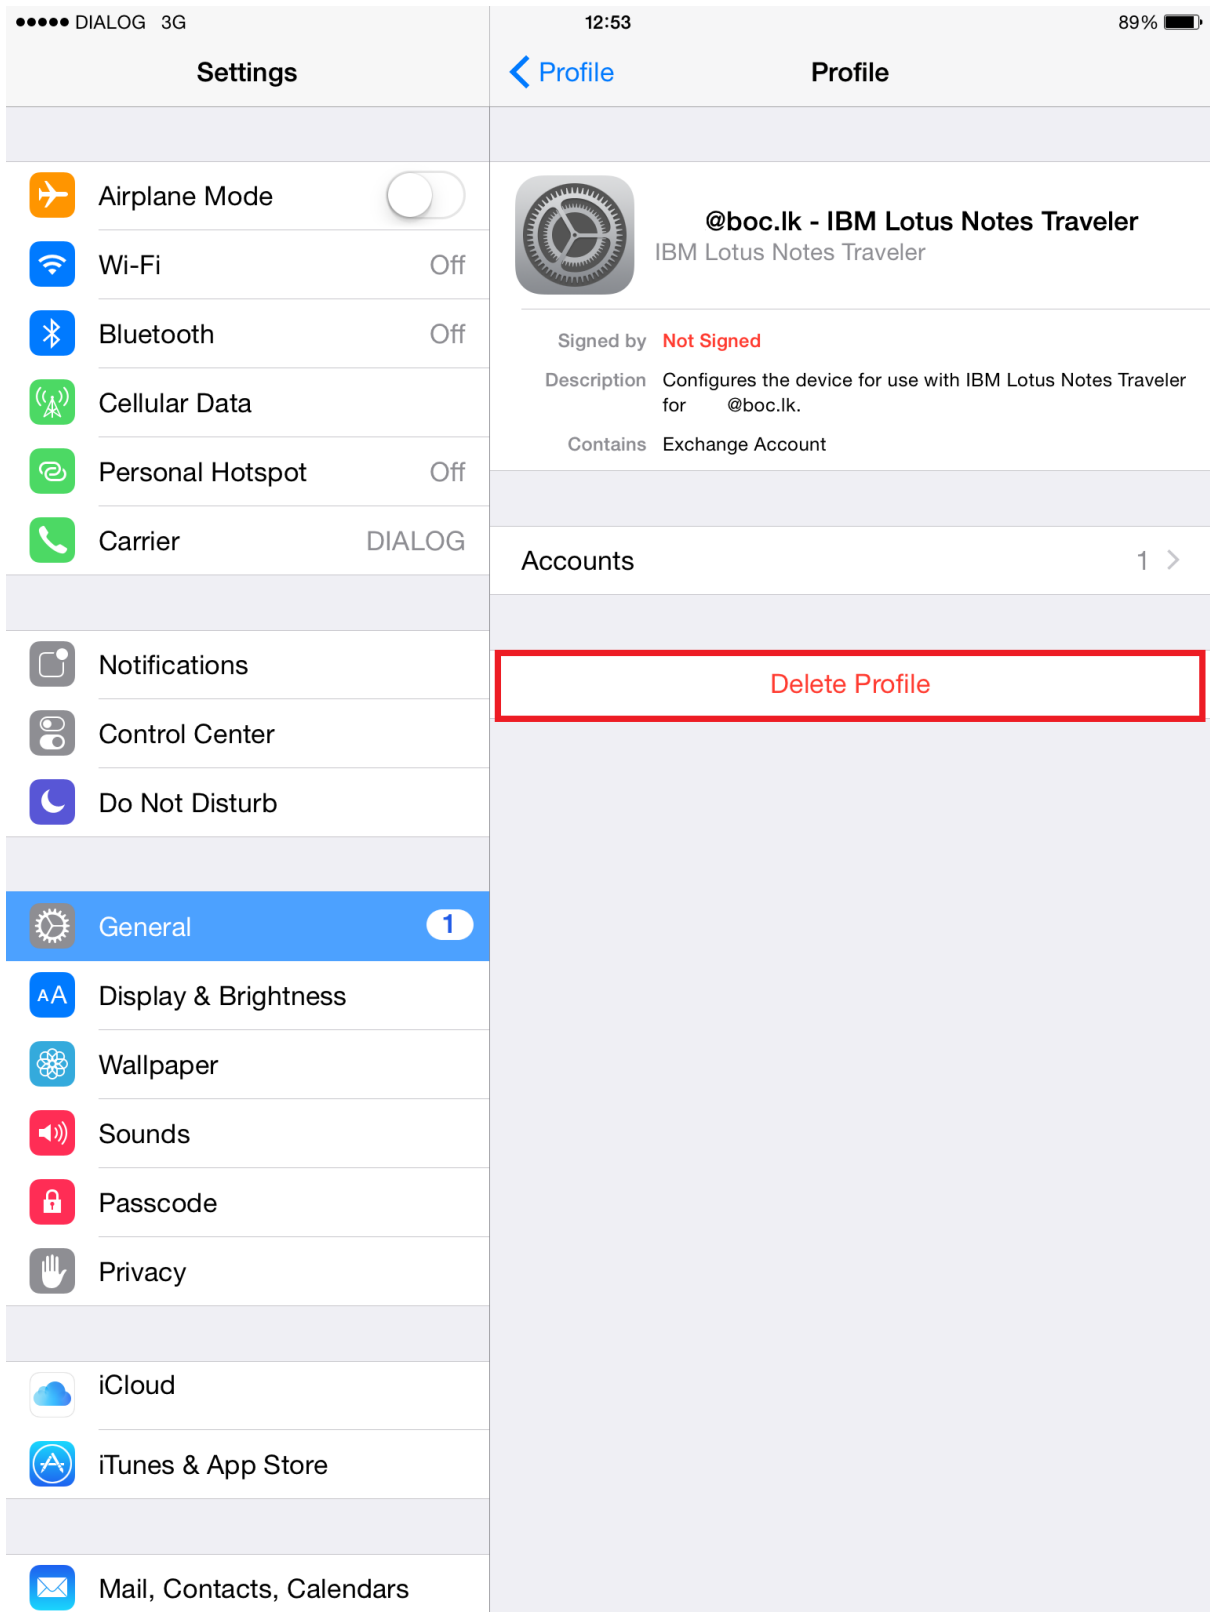

Step 04

Select the Lotus Notes Traveler Profile of the relevant email address.

Step 05

Select “Delete Profile”.

Step 06

Confirm the “Delete” and the mail profile will be removed.
